

*LOST IN A VIEW.*

*A picture postcard, a perfect view;*

*Fields of yellow, pink and blue;*

*Grass on my toes, runny nose;*

*Eyes drawn to the sky,*

*Distant sea, gulls cry...*

*I can hear a tractor in the fields below me,*

*Feel movement in the wind,*

*Sun on my skin,*

*Lazy Days, a peaceful haze,*

*Breathe it all in.*

*A tiny rustle in the hedgerow behind me...*

*At times like these, I want a lover beside me.*
